

Motoring  
Your Unique Lifestyle

# Company Introduction

In 1958, Motor Electric Manufacturing Co., Ltd. was established with the determination to be the best in the industry. Throughout the period of over 40 years, MOTOR has achieved a good reputation as a reliable, competitive, and high quality manufacturer. Today, our business spreads globally including a long list of prestigious clients.

With a group of dedicated staff, MOTOR is constantly innovating in marketing, engineering, & production techniques. Nowadays, MOTOR has its own in-house engineering team, tooling facility, metal stamping, & plastic injection facility in a 30,000 sq. meter site in Dongguan, China.

To meet the challenge of the 21st century, MOTOR is committed to pursue the excellence to gain full customer's satisfaction.

## Food Preparation

- Stick Blender
- Mini Chopper
- Vacuum Sealer
- Egg Mixer
- Egg Cooker
- Gravy Warmer

### MEC-372

#### Stick Blender

- 220 Watt power
- Compact size high power blender
- Single button switches between on/off mode at ease
- Stylish design with practical anti-slip grip

### MEC-1126T

#### Mini Chopper (Tall)

- 125 Watt power
- 240ml capacity
- Grinds food or vegetables to small pieces easily
- Dishwasher-safe bowl, lid and blade

### MEC-5030

#### Stick Blender

- 220 Watt power
- Compact size high power blender
- Single button switches between on/off mode at ease
- Stylish design with practical anti-slip grip

### MEC-5096

#### Stick Blender

- 300 Watt power
- Compact size high power blender
- Dual speed with convenient switch
- Fashionable design with removable foot
- Design fit to hand comfortably
- Dishwasher-safe removable foot

### MEC-1126

#### Mini Chopper

- 125 Watt power
- 190ml capacity
- Grinds food or vegetables to small pieces easily
- Dishwasher-safe bowl, lid and blade

## MEC-6011

### Mini Chopper

- Grinds food or vegetables to small pieces easily
- 300ml large container capacity
- Safety switch
- Removable stainless steel blade
- Transparent bowl with safety lid
- Non slippery rubber feet
- Dishwasher safe bowl, lid and blade

## MEC-5113

### Hand Blender/Chopper

- 300 Watt power
- Compact size high power
- Grinds meat or vegetables to small pieces easily
- Special design protective cover for secure and safe operation
- Dual Speed
- 450 ml chopping bowl
- Dishwasher-safe bowl, lid and blade

## MEC-6027

### Mini Chopper

- 300W high power
- 300ml large container capacity
- Stainless steel blades
- Pulse action

## MEC-1268

### Mini Chopper

- Compact and functional chopper
- Super sharp blades for uniform chopping
- Lid with double safety system
- Pulse action

## MEC-5089

### Mini Chopper

- 180 Watt power
- Large container with 450ml capacity
- Grinds meat or vegetables to small pieces easily
- Special design protective cover for secure and safe operation

# Food Preparation

- Stick Blender
- Mini Chopper
- Vacuum Sealer
- Egg Mixer
- Egg Cooker
- Gravy Warmer

## MEC-5210

### Gravy Warmer

- 18oz ceramic gravy boat
- Easy pour spout eliminates spills
- Keeps contents warm and ready to serve
- Detachable cord for convenient table-top serving
- Great for gravies, béarnaise, bordelaise, hollandaise, and cheese sauces
- Also great for melted butter, dressings, dips, and ice cream toppings

## MEC-1223

### Vacuum Sealer

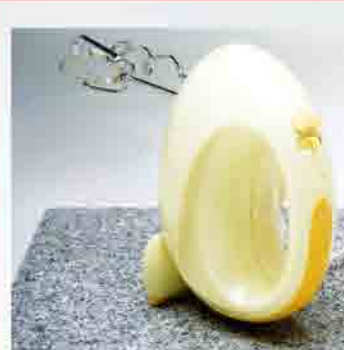

- Vacuum seal food in their original glass containers
  - Seal glass jars, wine bottles, canisters, etc
  - Commercial quality vacuum packaging system for home
- Includes:
- 3 universal lids
  - 1 accessory hose
  - 1 wine saver

## MEC-373

### Egg Boiler

- Boil up to 7 eggs to desired level at ease
- Build-in alarm buzz when cooking complete
- Fashionable design with stylish color

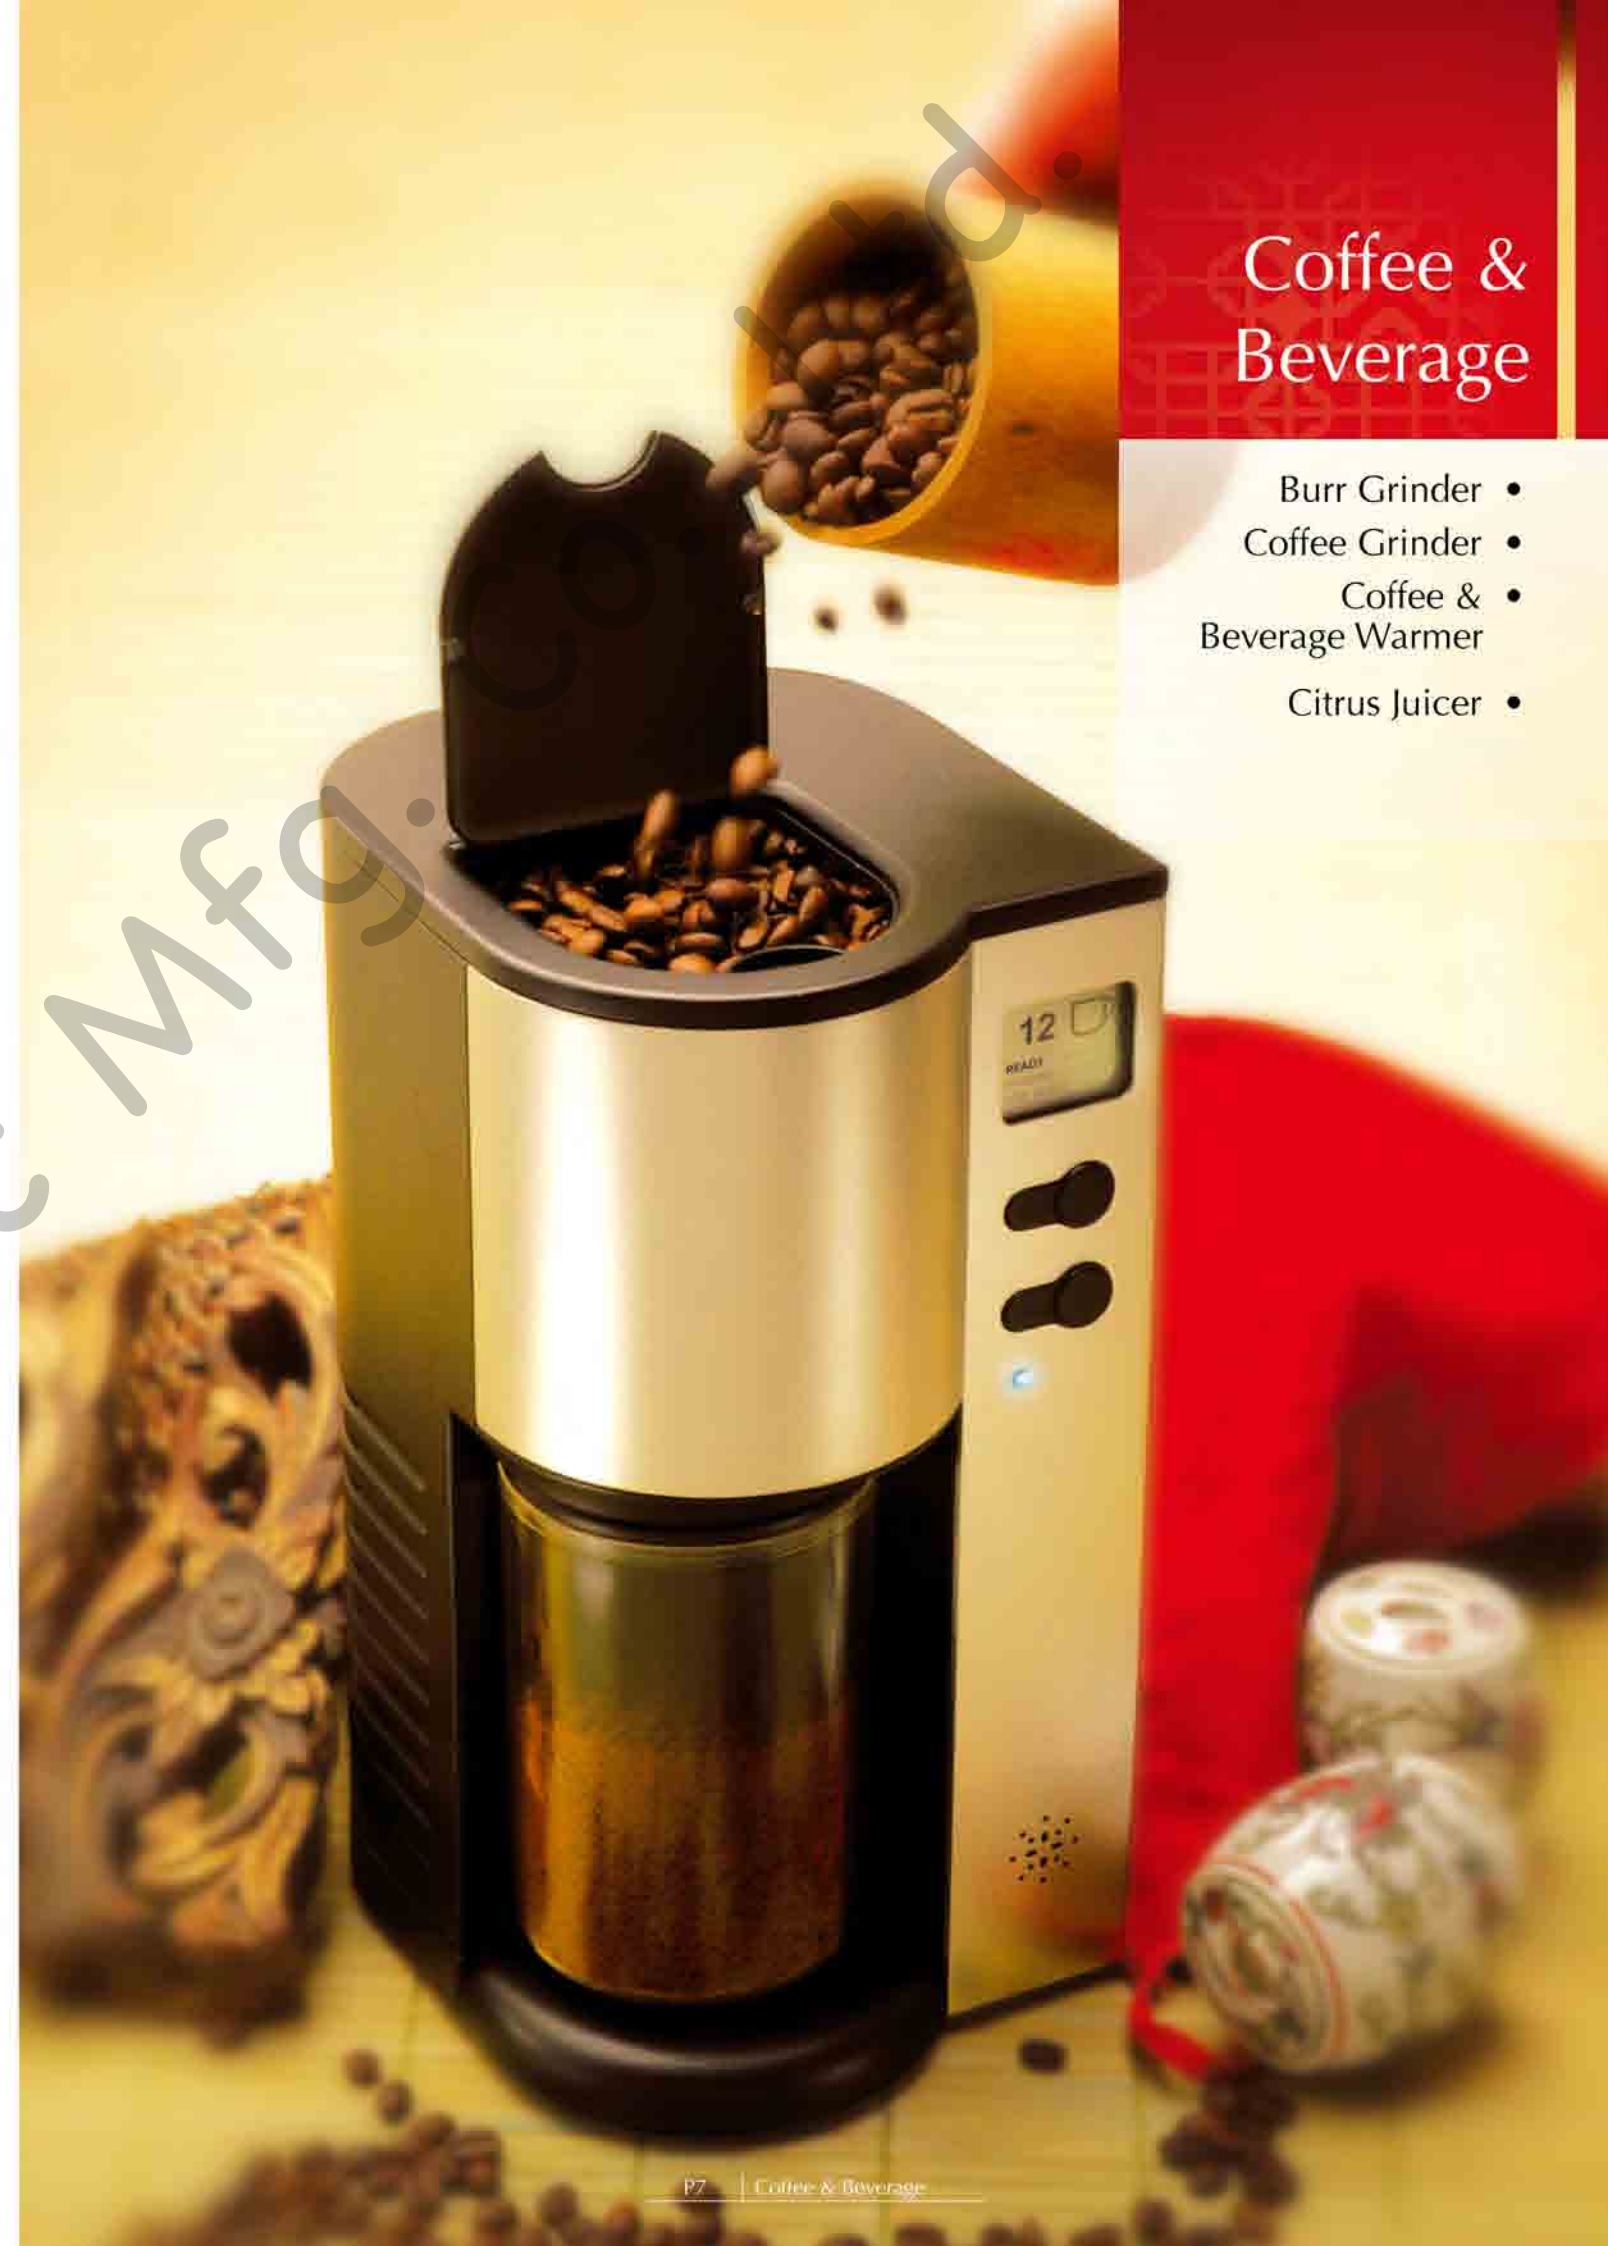

## MEC-390

### Egg Mixer

- Exchangeable whisks and dough hooks
- 5 speed selections
- Soft rubber on handle for better grip
- Dishwasher safe whisks and dough hooks

## Coffee & Beverage

- Burr Grinder
- Coffee Grinder
- Coffee & Beverage Warmer
- Citrus Juicer

## MEC-5177

### Electronic Coffee Grinder

- LCD display
  - Grinding volume display
  - Add bean's reminder
  - "READ" indicator
  - "GRINDING completed" indicator
- Electronic grinding volume control
- Grind beans for up to 12 cups of coffee at cycle
- 16 positions grinding fineness control
- All containers are dish washer safety
- Removable grinding head for easy cleaning and dish
- Large coffee beans container capacity
- Large cord storage
- Power indicator
- Silver painted front panel
- Coffee beans container and coffee powder container all made of FDA materials

## MEC-5151

### Stainless Steel Burr Grinder

- Adjustable control selecting from 2-12 cups of coffee
- 17 positions grind selector to choose the right fineness for all espresso machines, or drip coffee
- Transparent ground coffee container
- Removable burr grinding wheel for easy cleaning
- Cord storage

## MEC-351

### Coffee & Beverage Warmer

- 17 Watt power
- Keep coffee & beverage at a distant drinking temperature
- On/Off switch
- Power indicator

## MEC-5017

### Citrus Juicer

- 20 Watt bi-directional motor for complete juice extraction
- 1 Liter detachable container for easy juice storage
- Convenient to use and wash design
- Dishwasher safe container and lid

## MEC-5029

### Burr Grinder

- 1/2 pound bean container with lid (up to 16 cups of coffee)
- Electronic sensor grinds from 2 to 16 cups with auto-stop
- 17-position grind selector to choose the right fineness for all Espresso Machines, Drip Coffee
- Removable burr grinding wheel for easy cleaning
- Ground coffee container with lid can be stored in refrigerator
- 100 Watt

## MEC-5009

### Burr Grinder

- Adjustable control selecting from 2-12 Cups of coffee
- Fineness control for fine or coarse powder
- On/off safety switch
- Extra large round shape bean container
- Transparent powder container with storage cover

## MEC-1005

### Citrus Juicer

- 20 Watt bi-directional motor for complete juice extraction
- Build-in cord storage compartment
- Continuous flow for large capacity juice extraction

## MEC-5031

### Citrus Juicer

- Over 18 stainless steel filters
- Cone ideal for all citrus fruits
- Cone rotates in both directions
- Dust cover. Ergonomic handgrip
- Non-slippery feet

## MEC-559

### Coffee Grinder

- Large coffee chamber
- Removable coffee chamber
- Dishwasher safe coffee container
- Grinds up to 12 cups of coffee
- Large cord storage

## MEC-359

### Coffee Grinder

- Fine ground coffee
- 65 grams (2.2 oz.) capacity
- 120 Watt high power motor
- Safety switch for extra protection

## MEC-1105

### Coffee Grinder

- Fine ground coffee
- 65 grams (2.2 oz.) capacity
- 120 Watt high power motor
- Safety switch for extra protection

## MEC-558

### Coffee Grinder

- Large stainless steel container
- 180W high power
- Stainless steel blades
- Airtight lid
- Pulse action depending on the processing that you wish to carry out

## MEC-258/258A

### Burr Grinder

- Auto shut off
- 19 grind settings from fine to coarse
- Grinds beans for 2 to 12 cups of coffee
- Large 1/4 lb. capacity hopper

## Ice-cream & Yogurt

- Ice-cream Maker
- Yogurt Maker
- Electric Ice-cream Scoop
- Hot Fudge/Sauce Warmer
- Ice Crusher

## MEC-6020

### Ice cream Maker

- Create a variety of frozen treats
- Make your favorite frozen drink in 5 to 10 minutes
- Hidden cord storage adjust to needed length and keep countertops neat by keeping excess cord out of the way
- 40 watt high performance motor
- 1.5 Liter capacity
- Double walls canister keep the cylinder bowl cold longer for best freezing result

## MEC-1072

### Ice cream Maker

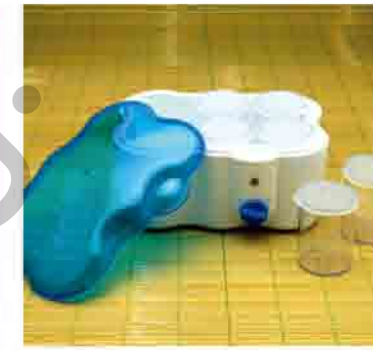

- Prepare ice-cream in 20-25 minutes
- 45 Watt high power motor mix ice-cream evenly
- 1 Liter capacity

## MEC-5179

### Yogurt Maker

- Power indicator
- See through lid for each jar
- 6 glass or plastic jars with lid
- Creamy yogurt in 6 or 12 hours
- Buzzer signal when yogurt is ready
- Adjustable timer and auto shut off
- Prepare 6 different flavors at the same time

## MEC-1151

### Yogurt Maker (12hrs. Timer)

- Build in scoop
- 1 Liter capacity
- Easy to operate

## MEC-6033

### Ice Crusher

- Fully automatic
- Stainless Steel exterior
- Stainless Steel blades
- Ideal for beverages and cocktails
- Easy grab container with removable lid
- Include ice scoop
- 14oz large container capacity

## MEC-6010

### Electric ice-cream Scoop

- Heated ice-cream scoop
- Santoprene grip
- Drip guard keeps hands and fingers away from ice-cream

## MEC-1051

### Yogurt Maker

- Build in scoop
- 1 Liter capacity
- Easy to operate

## MEC-1120

### Hot Fudge/Sauce Warmer

- Warm and keep fudge caramel, strawberry sauce at a distinct temperature for ice-cream
- On/off switch
- Light indicator

## Baby Care

- Electronic Baby Bottle Warmer
- Car Baby Bottle Warmer
- Baby Tooth Brush
- Baby Cot Light (with voice activator)
- Baby Humidifier
- Baby Bottle Warmer
- Baby Bottle Sterilizer
- Baby Food Processor
- Nature Sound Machine

### MEC-6030

#### Baby Bottle Warmer

- 180W high power
- Put baby bottle or food jar into container to keep warm.
- An extra food tray for easy taking the food jar from the warmer
- To warm a chilled milk just in 6-7 minutes.
- In between feeding, bottle/food jar can be placed back into the bottle warmer in order to maintain drinking temperature to keep the milk or food warm.

### MEC-392

#### Baby Bottle Warmer

- 120 Watt power
- Adjustable temperature control for various needs
- Built-in bottle lifter
- Light indicator

### MEC-273

#### Baby Bottle Warmer

- 80 Watt power
- Adjustable temperature control for various needs
- Built-in bottle lifter
- Light indicator

### MEC-1090

#### Electronic Baby Bottle Warmer

- 95 Watt power
- Dual position switch for adjusting milk or baby food warming
- Temperature closely monitored by precise electronics device
- Build-in buzzer alarms when desired temperature is reached for the first time
- Wide container to accommodate bottles of various sizes
- Detachable lifter for easy cleaning

### MEC-1107

#### Baby Bottle Warmer

- 45 Watt power
- Warm and maintain milk at a consumable temperature
- Compact size designed for convenient traveling
- Light indicator

### MEC-1038

Car Baby Bottle Warmer

- 12VDC 18 Watt power
- Warm milk or baby food in car
- Bring milk to a distinct temperature in minutes
- Adjustable heating sheet for jars & bottles
- Light indicator
- No water is needed
- Perfect for use during car driving

### MEC-5003

Nature Sound Machine

- Ten different sounds of nature compose soothing sound of nature:
  - SINGLE Mode, select to play one of the ten sounds of nature
  - COMBINE Mode, compose a new rhythm by combining two selected sound
  - RANDOM Mode, choose the static sound while the five active sound arise randomly
- Timer mode features automatic shut-off after 60 minutes

### MEC-293

Baby Humidifier

- 500 Watt power
- Specially designed for infants
- Add moisture to environment
- Protect baby's skin from flaking
- 4 Litre capacity
- Up to 8 hrs. of continuous operation
- Water level indicator

### MEC-1062(A)

Baby Cot Light (with voice activator)

- 6VDC 4 x AA batteries operated
- 5 minutes auto-shut off
- Built-in voice sensor to activate light turns on automatically
- Universal clip for all baby cribs

### MEC-369

Baby Tooth Brush

- 3VDC 2 x AA batteries operated
- High frequency vibrating tooth brush
- Choice of pulse or continuous operation at the fingertips
- Miniature tooth brush for child use
- Water resistant design

### MEC-396

Baby Bottle Sterilizer

- 520 Watt power
- Steam sterilize baby bottles rapidly & easily
- Prevent bacteria build up
- Hold up to 6 bottles
- Good for 125ml & 250ml bottles
- On/off switch with thermostat control
- Light indicator
- Compact packing size

### MEC-5089

Baby Food Processor

- Homemade baby food
- New stylish design
- Powerful motor
- Dish washer safe food container
- Grinds food or vegetables to small pieces for easy feeding
- 450 mL large container

### MEC-5179

Baby Yogurt Maker

- Power indicator
- With semi see through lid (Car or Duck figure) for each jar
- 6 individual plastic jars for easy feeding
- Creamy yogurt in 6 to 12 hours
- Buzzer signal when yogurt is ready
- Adjustable timer and auto shut off
- Prepare 6 different flavors at the same time

### MEC-294

Baby Bottle Sterilizer

- 400 Watt power
- Able to sterilize baby bottles rapidly & easily
- Prevent bacteria build up
- Hold up to 6 bottles
- Good for 125ml & 250ml bottles
- On/off switch with thermostat control
- Light indicator

### MEC-1126

Baby Food Processor

- Homemade baby food
- Powerful motor handles all food
- Heavy duty stainless steel blade
- Large capacity serving bowl

# Health & Personal Care

- Facial Massager
- Bath Massager
- Cellulite Massager
- Spin Massager
- Paraffin Bath Machine
- Aroma Machine
- Humidifier
- Jewellery & Optical Cleaner

## MEC-5099

### Facial Massager

- Massage device with two functions: Rotating & Suction
- 3 level switch to control
- 5 exchangeable heads included
  - Small suction head (for sensitive skin)
  - Big suction head (for cleaning skin)
  - Cleaning brush (to remove dead skin cells)
  - Roller massage head (to stimulate skin and blood circulation)
  - Sponge head (skin soft cleaning)

## MEC-2061

### Facial Massager

- Battery operated (2 X AA)
- With TWO exchangeable attachments (brush and sponge)
- ON / OFF switch

## MEC-398

### Spin Massager

- Generate spin massaging action
- Provide infra-red heating around spinning head
- Magnet inside each roller ball for magnetic therapy
- Twistable handle for different massage angles
- 2 speed spin / heat settings
- Operated with adaptor

## MEC-1180

### Bath Massager

- Generate vibrating action for massaging
- Complete with two (2) interchangeable
- Brush applicator with scientifically designed soft bristle for gentle all-over body massage
- Micro-finger applicator for intense, vigorous massage on specific area
- Water proof design with on/off button operable even when wet
- Batteries operated (AA x 2)

## MEC-1190

### Cellulite Massager

- Front roller gently squeezes and kneads the skin
- Provide 3 different cycles of massaging:
  - Vacuum suction gently lifts the skin up for roller reaching the cellulite layer
  - Rear roller smooths out skin to complete the massage
  - Intensity control switch to adjust suction effect
- Easy access buttons to stop the massage at wish
- Operated with adaptor

## MEC-505

### Paraffin Bath Machine

- Spa therapy improving skin blood circulation
- Good for hand, elbow, or feet treatment
- 4 pounds wax container
- Liner storage area on the lid
- Thermostatic control on wax temperature
- Light indicator

## MEC-5088

### Jewellery & Optical Cleaner

- Gentle cleaning treatment for jewellery, optical glasses & accessories
- Battery or AC operated
- On/off switch with 2 speeds
- Super bright blue LED indicator
- Crystal clear container & lid
- Removable tray for easy handling and cleaning

## MEC-300

### Jewellery & Optical Cleaner

- Clean jewellery & optical glasses gently
- Restore original brilliance to all jewellery
- 2 speed cleaning
- Removable tray for small pieces
- On/off switch & light indicator
- Battery or AC operated

## MEC-175

### Jewellery & Optical Cleaner

- Clean jewellery & optical glasses gently
- Restore original brilliance to all jewellery
- 2 speed cleaning
- Removable tray for small pieces
- On/off switch & light indicator
- Battery or AC operated

## MEC-267

### Jewellery Cleaner

- Gentle cleansing treatment for jewellery and accessories
- 2 speed cleaning
- Removable tray for small pieces
- See-through lid
- Light indicator
- Battery or AC operated

## MEC-1150

### Aroma Machine

- Disperse scent to refresh the atmosphere
- Low power heater dissociate the aroma beads gradually to dissipate the fragrance
- Aroma beads with unique odour to soothe the mood

## MEC-293

### Humidifier

- Add moisture to environment
- Prevent flaking skin (face & hands)
- Help to relief throat dryness
- Recommended for Asthma patient
- 4 Litre capacity
- Up to 8 hrs. of continuous operation
- Water level indicator
- Safe & healthy

## Power Supply

Motor expertises in power supply products include adaptors, transformers, surge busters and battery pack. Dedicate engineering team and years of manufacturing experience enable Motor to produce in-house or custom made power products that are reliable and long lasting.
